DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Kristi Rupert on 10 November 2004.

The application has been amended as follows:

In claim 6, line 4: Delete "creatine" and insert therefore --creatinine--

Informal Examiner's Amendment

Applicant is advised that the title of the invention has been amended to more accurately reflect the invention recited in the claims. The new title is "METHOD FOR TREATMENT OF RENAL FAILURE BY CONTINUOUS ADMINISTRATION OF HEPATOCYTE GROWTH FACTOR".

Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance:

The claimed method for treating renal failure comprising administering an effective amount of hepatocyte growth factor by continuous administration is novel and nonobvious. The prior art teaches intravenous administration of HGF to mice with acute renal failure (Kawaida et al. Proc Natl Acad Sci USA 91: 4357-4361, 1994). The prior art also teaches continuous

administration of HGF to *normal* Sprague-Dawley rats (Ha-Kawa et al. Jpn Pharmacol Ther 24: 149-152, 1996). However, there is no motivation to combine the references because the intravenous administration of HGF as taught by Kawaida et al. results in suppressed BUN and creatinine levels and renal regeneration, with no disclosed side effects or problems with the treatment. It is noted that Applicant has the right to file divisional or continuation applications to protect the inventions in the cancelled claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
